If you're a *Magic: The Gathering*-playing music nerd, you could win a festival pass to the Sled Island Music Festival.

Sled Island festival organizers are hosting a *Magic: The Gathering* tournament at Calgary's Broken City Social Club on Wednesday at 9 p.m. and three Sled Island passes will be up for grabs. Full details about the tournament haven't been released yet.

"It'll be fun, and who knows, might set the stage for a weekly *Magic: The Gathering* bar night full of drinks and shooting the shit about how creature names would make good band names..."

The Breeders, Holy Fuck, Final Fantasy, Biz Markie and Malajube are among more than 250 acts that will [play](#) this year's Sled Island Music Festival in Calgary from June 24 to 27.
