SLED ISLAND IS BACK

[Sled Island](#) is throwing a Pre-Fest Fundraiser Party on April 11, 2009 at the Royal Canadian Legion #1 (116 7 Avenue SE) in Downtown Calgary.

Headlining the Pre-Fest Fundraiser Party is Canada's own Fucked Up, the critically acclaimed experimental hardcore punk band with an appreciation for the theatrical and a willingness to collaborate (Final Fantasy, David Cross, Nelly Furtado, etc.). They will be joined by great local bands and friends of the festival: Forbidden Dimension, Sharp Ends, The Sublinguals, The War Doves and special guests.

This year's guest curator, Colin Newman from the legendary UK art rock band Wire, co-headliners of Sled Island 2008, will also be in attendance to rally support for another fantastic edition of the Sled Island Music Festival happening on June 24 - 27 at various Calgary venues.
