SLED ISLAND MUSIC AND ARTS FESTIVAL JUNE 18th - 22nd 2014

REPORT

Nobody rains on our parade! Sled Island Music and Arts Festival 2014 was an outstanding showcase of culture and community. Sled Island's Green Team implemented its most comprehensive environmental strategy yet and were able to greatly reduce the negative impact of waste during the festival. A big thank you to all who supported our efforts. Thanks to all involved we were able to reduce the amount of landfill waste by over 300kg compared to the previous year! Thank you Calgary!
